IGGY! This PRECIOUS girl is a little sad after losing her owner after 9 years of companionship. She is current on shots and a true sweetheart. Beautiful too. Maybe you have the most perfect loving home for her to enjoy her "golden years" being a loyal and loving pup? Adopt Iggy today!

Meet this HANDSOME fella named **HARLEY!!** He has the most gorgeous green eyes and is currently living in the manager's office. He was super stressed in his kennel because he doesn't care for other animals and being confined in small areas. He loves to come to you for love and attention when he wants it. Harley is 8 years young, fully vetted, and really needs a calm, patient, loving home to call his own!

YARD SALES

One of the ways PHPCC has been able to raise money to fund many hundreds of spay-neuters of animals in the shelter and to also help many animals in the county is by having yard sales. This spring we will be having two yard sales going on. One will be during Emerald Isle's city-wide sale April 12 & 13 to be held at 7209 Archers Creek Drive from 8 am to 3 pm. One will be during Star Hill area's yard sales on Saturday April 13th to be held at 116 Lousan Drive in Cape Carteret from 8 am until 1 pm. We welcome any donations, any help at either place and of course any shoppers.
